

Tennessee Tech University

Stonecipher Mathematics Scholarships

The Tennessee Tech University Department of Mathematics will be awarding up to four Stonecipher Scholarships to incoming freshmen mathematics majors and transfer students beginning in the fall of 2008. These scholarships are valued at up to \$2,000 per academic year and are renewable for up to three additional years provided the eligibility criteria are met and appropriate progress toward a degree in mathematics is made.

Eligibility:

- Must be enrolled as a major in the Department of Mathematics at Tennessee Tech University.
- Must maintain a grade point average of 3.0 in mathematics and in all courses taken.

How to Apply:

- Fill out and mail an application for admission to Tennessee Tech University. Information and applications can be found at <http://www.tntech.edu/admissions/>
- Fill out and mail an application for scholarships to TTU. Information and applications can be found at <http://www.tntech.edu/scholarships/>
- Fill out a Stonecipher Scholarship application found at <http://www.math.tntech.edu/StonecipherApplication.pdf>
- Mail completed Stonecipher Scholarship application along with a one-page Statement of Interest to:

Tennessee Tech University
Department of Mathematics
Box 5054
Cookeville, TN 38505-0001

ADDITIONAL TTU MATHEMATICS SCHOLARSHIPS

For Freshmen:

The **LEONARD DUNAVIN MATHEMATICS SCHOLARSHIP** offers \$350 to an incoming freshman mathematics major from the Upper Cumberland Area.

The \$1,000 **ANGELO AND JENNETTE VOLPE SCHOLARSHIP** supports an incoming freshman majoring in mathematics and needing financial assistance. Applicants must have an ACT Math score of at least 24. The determination of student's financial need is made based upon the Free Application for Federal Student Aid (FAFSA). Dr. Angelo Volpe, former TTU President, established this scholarship.

For Upperclassmen (Students who have completed Math 3400-Intro. to Concepts of Mathematics):

The purpose of the \$1,000 **DR. AND MRS. S.A. PATIL SCHOLARSHIP** is to encourage talented students to pursue studies in advanced mathematics. Students transferring from two-year colleges are encouraged to apply for this scholarship.

The \$1,000 **GRATEFUL HEART MATHEMATICS SCHOLARSHIP** is available to any full-time undergraduate mathematics major in good standing. However, preference will be given to eligible candidates from the Upper Cumberland area. The recipient of this scholarship may retain the scholarship after initial award provided he/she is making satisfactory progress toward the degree.

The \$1,000 **STANLEY ERWIN M.D. SCHOLARSHIP** is available to a full-time undergraduate mathematics major with a QPA of at least 3.6.
